

**NASA Mid-Atlantic welcomes YOU as an HPDE student to Summit Point Raceway  
October 13<sup>th</sup> and 14<sup>th</sup>**

**Below you will find both general guidelines for participating in the school and group specific instructions for each HPDE level.**

**GATE HOURS:** The gate will open for trailer drops on Friday at 5:30 pm. The gates will remain open for the balance of the weekend since overnight camping is permitted.

**HPDE 1 and 2 PROCEDURES:**

Normal NASA Mid-Atlantic procedures will be followed for obtaining both your on-track wristband and tech sticker.

**YOU MUST WEAR YOUR WRISTBAND ALL WEEKEND.**

You will receive your participant wristband from your first classroom session. You will receive your tech sticker for your car on grid just prior to your first on-track session. To get your tech sticker, you must have the pre-tech form completed and signed, so do this prior to going to grid. Your instructor will go over your pre-tech form and do a tech inspection of your car. If you are knowledgeable about your car and are competent to check all items on the form, you may complete the form yourself. If you would like assistance, go to the following link for a list of free tech stations.

Since HPDE 1 and 2 students get their wristband from classroom and tech sticker from their instructor, these students **do not need to go to the techistration area to check in.**

At the techistration area (tech shed) and on the classroom door, the instructor/student assignments will be posted, so you can check to see that you are listed and see who your instructor is. **YOUR FIRST ASSIGNMENT IS TO ATTEND THE MANDATORY 7:45AM ALL HANDS MEETING AT THE TECH AREA. BE THERE ON TIME OR YOU MAY LOSE TRACK TIME!**

**HPDE 3:**

In HPDE 3 (advanced group), you are not assigned an instructor unless specifically requested prior to the event. HPDE 3 indicates that you have significant experience on a variety of tracks, and your experience will be verified.

You **must report to techistration** to retrieve your on-track wristband, and you need to bring your car through the tech shed to receive your tech sticker. Be sure to bring a completed pre-tech sheet to a tech official.

## **TECH FORM**

Use the link provided to download a copy of the Tech form:

[http://www.nasapracing.com/images/rules-forms/form\\_hpde\\_tech.pdf](http://www.nasapracing.com/images/rules-forms/form_hpde_tech.pdf)

For a list of free tech stations, go here: <http://www.nasaracing.net/pretech.shtml>

**CAR NUMBER:** Your car number is your 1st preference unless you have been or are notified of the need for a change via email. You are responsible for having numbers on your car before getting on the track.

## **TECHISTRATION HOURS (tech shed):**

Friday 6:30PM until 9:00PM

Saturday 6:30AM until 9:00AM

Sunday 7:00 AM until 9:00AM

## **SCHEDULE AND SUPPLEMENTAL REGULATIONS:**

Please go to [http://www.nasaracing.net/Summit\\_Oct\\_07/event.htm](http://www.nasaracing.net/Summit_Oct_07/event.htm) to view the schedule for your first classroom time and first on-track session. Although we try our best to make announcements for your track time, you should pay careful attention to the time and what group is on track so you will know when to report to grid. Always be aware of what group is prior to yours so you will know when to report to grid.

Any answers to questions may be found in the supplemental regulations. If you still have a question after reading all pre-event information, please e-mail [registration@nasaracing.net](mailto:registration@nasaracing.net).

We look forward to seeing you soon.

NASA Mid-Atlantic
