

**NASA Mid-Atlantic welcomes you as a Race Entrant to VIR North Course July 27<sup>th</sup>-29<sup>th</sup>, 2007**

**Please read all of the following information closely.**

**GETTING THROUGH THE GATE:**

No trailer drops or gate entry will be permitted prior to 5:30PM Thursday. After that, the gates will be open 24 hours a day during the entire weekend.

**GATE HOURS:**

The gate will open for trailer drops on Thursday at 5:30 pm. The gates will remain open for the balance of the weekend since overnight camping is permitted.

**GATE FEES:** Gates will open at 5:30pm on Thursday 7/26 and will remain open all weekend. No trailer drops or gate entry will be permitted prior to 5:30pm Thursday. New for this year VIR will charge \$10 at the gate. Anyone arriving after 8:30am Friday may show their NASA membership card to gain free access. If you have crew arriving after 8:30am, they should list you as the driver and indicate they are a part of your crew. The gate staff will have a list of all pre-registered entrants. Camping for the weekend will cost \$35 without electricity, \$25 for electric only, or \$50 if you are camping and need electricity.

**RACER PROCEDURES:** Normal NASA Mid-Atlantic procedures will be followed for obtaining both your on-track wristband and tech sticker [from your group liaison](#).  
**YOU MUST WEAR YOUR WRISTBAND ALL WEEKEND.**

**YOU MUST ATTEND 7:15 AM ALL HANDS MEETING ON SATURDAY AT TECH SHED.**

Pick the one that applies to you:

1. Have annual NASA tech and current NASA Race License: You do not need to come to techistration. You will attend the 7:45AM ALL HANDS MEETING at the tech shed and will meet afterwards with your group liaison (TBA). Your liaison will give you a participant wristband if you have a current race license and will give you a tech sticker if you have your annual tech in NASA logbook and a completed pre-tech form
2. Have Annual NASA tech [but are using](#) current license with other sanctioning body [rather than a NASA license](#): You do not need to come to techistration. You will attend the 7:45AM ALL HANDS MEETING at the tech shed and will meet afterwards with your group liaison (TBA). Your liaison will give you a tech sticker if you have your annual tech in a NASA logbook and a completed pre-tech form. If you have a current non-NASA license that is from an approved sanctioning body, the Liaison will give you a license packet to complete and give to registration. You will receive a wristband once the licensing paperwork is completed.
3. No annual NASA tech but do have current NASA license: Complete pre-tech form and bring car through tech to be inspected. If you do not have your NASA logbook, one will be given to you. If your car passes tech inspection, you will receive a sticker. To receive participant wristband, you will meet with your group liaison after the 7:45 ALL HANDS MEETING and show your current license.
4. No annual NASA tech and no NASA race license: Must come to techistration. Complete pre-tech form and bring car through tech to be inspected. If you do not have your NASA

logbook, one will be given to you. If your car passes inspection, you will receive a sticker. To receive participant wristband, you must produce a valid race license with approved sanctioning body and complete a NASA license application.

### **Tech:**

Unless you have gone to a designated tech station in 2007 prior to this event, you will need an annual tech for the year and a sticker for this event. The Race Tech Form can be found here: [http://www.nasaproring.com/images/rules-forms/form\\_race\\_tech.pdf](http://www.nasaproring.com/images/rules-forms/form_race_tech.pdf).

### **SCHEDULE AND SUPPLEMENTAL REGULATIONS:**

Although we try our best to make announcements for your track time, you should pay careful attention to the time and what group is on track so you will know when to report to grid. Announcements may also be very difficult to hear with noise in the paddock. Always be aware of what group is prior to yours so you will know when to report to grid.

The schedule and supplemental regulations will be posted 10 days prior to the event at the event page. [http://www.nasaracing.net/VIR\\_July\\_07/event.htm](http://www.nasaracing.net/VIR_July_07/event.htm) We will also send out by e-mail any other instructions about 7-10 days before the event

### **Licensing**

All Racers MUST possess a 2007 competition license from NASA. The only two exceptions are:

- 1) INEX (Legends) drivers may hold an INEX license, or
- 2) You are eligible and have applied for a NASA license, but have not yet received the license. In this case, you will need to provide proof at the track that you have applied for your NASA license, including copies of ALL related documentation. You must also be a current member of NASA.

If you do not have a 2007 license and do not meet the above exceptions, you will need to have a current license with another recognized group (SCCA, BMW, and PCA). Please complete the competition license application and submit it to national prior to the weekend if possible, or you may bring the application and required paperwork to the track. Entrants that do not meet the above criteria will not be able to race the weekend.

**THIS IS AN ABSOLUTE REQUIREMENT.**

The competition license application form is located here click on competition license form: <http://www.nasaproring.com/forms.html>

### **Mandatory Meetings**

You must attend the 7:15 am all hands meeting on Saturday at the Tech Shed. The name of your Group Liaison will be announced at these meetings.

**VEHICLE APPEARANCE:** Racecars are expected to have a good and clean appearance as viewed from 30 feet away at 30mph. Each racecar must display official NASA stickers (available at tech) easily visible on all four sides.

**CAR NUMBER:** Your car number is your 1st preference unless you have been or are notified of the need for a change. Numbers must be 10 inches tall

**TRANSPONDERS:** If you did not include your transponder number with your race entry, please e-mail it to [registration@nasaracing.net](mailto:registration@nasaracing.net). If we do not have your transponder number in advance the fee to add it at the track is 25.00 if you are renting a transponder, you are encouraged to pick it up Friday evening in the tech shed. Rental numbers have been recorded for pre-registered persons. When you rent a transponder, you must leave a \$375 deposit by check or credit card. When you return the transponder on Sunday, your deposit will be returned.

**TECHISTRATION HOURS (tech shed):**

Friday 6:30PM until 9:00PM

Saturday 6:30AM until 9:00AM

Sunday 7:00 AM until 9:00AM

**TIRE SERVICE:**

Tire Services will be provided by Phils Tire Service.

Please go to [PhilsTireService.com](http://PhilsTireService.com) or call 845-647-7407 for information regarding pricing and tire specs.

**SCHEDULE AND SUPPLEMENTAL REGULATIONS:**

Although we try our best to make announcements for your track time, you should pay careful attention to the time and what group is on track so you will know when to report to grid. Announcements may also be very difficult to hear with noise in the paddock. Always be aware of what group is prior to yours so you will know when to report to grid.

The schedule and supplemental regulations will be posted 10 days prior to the event at the event page. We will also send out by e-mail any other instructions about 7days before the event.

See you soon,  
NASA Mid-Atlantic
