

NASA Mid-Atlantic welcomes YOU as an HPDE student to Virginia International Raceway's Full Course on July 26th and 27th of 2008!

GATE HOURS: The gate will open for trailer drops on Thursday at 5:30 pm. The gates will remain open for the entire weekend since overnight camping is permitted. VIR will charge a spectating fee of \$10 at the gate beginning at 8:30am on Saturday morning. Anyone arriving after 8:30am may show their NASA membership card to gain free access. If you are a participant (driver) or crew and arrive after 8:30 but do not have your membership card with you, you may mention the driver name to gain free access. The gate officials will have a list of drivers at the gate.

CAMPING: VIR charges a \$35 fee for camping without electricity and the fee is 50.00 if you wish to camp AND have electricity. Electricity for non-campers is \$25 for the weekend. These fees are charged and collected by VIR either at the gate or during the weekend by VIR Personnel. The prices are subject to change by the track management.

HPDE 1 and HPDE 2 PROCEDURES:

Normal NASA Mid-Atlantic procedures will be followed for obtaining both your on-track wristband and tech sticker. **YOU MUST WEAR YOUR WRISTBAND ALL WEEKEND.** You will receive your participant wristband at your first classroom session. You will receive your tech sticker for your car on grid just prior to your first on-track session. To get your tech sticker, you must have the pre-tech form completed and signed, so do this prior to going to grid. Your instructor will go over your pre-tech form and do a tech inspection of your car. If you are knowledgeable about your car and are competent to check all items on the form, you may complete the form yourself. If you would like assistance, go to the following link for a list of free tech stations.

<http://www.nasaracing.net/pretech.htm>

Since HPDE 1 and HPDE 2 students get their wristband from classroom and tech sticker from their instructor, these students do **not** need to go to techistration to check in.

At the techistration area (tech shed) and on the classroom door, the instructor/student assignments will be posted, so you can check to see that you are listed and see who your instructor is. **YOUR FIRST ASSIGNMENT IS TO ATTEND THE MANDATORY 7:30AM ALL HANDS MEETING AT THE TECH AREA. BE THERE ON TIME OR YOU MAY LOSE TRACK TIME!**

HPDE 3 PROCEDURES:

In HPDE 3 (advanced group), you are not assigned an instructor. HPDE 3 indicates that you have significant experience on a variety of tracks, and your experience will be verified. You must report to techistration to retrieve your on-track wristband, and you need to bring your car through the tech shed to receive your tech sticker. Be sure to bring a completed pre-tech sheet to a tech official.

TECH FORM

Use the link provided to download a copy of the Tech form:

For a list of free tech stations, go here: <http://www.nasaracing.net/pretech.htm>

CAR NUMBER: Your car number is your 1st preference unless you have been or are notified of the need for a change via email. You are responsible for having numbers on your car before getting on the track.

TECHISTRATION HOURS (tech shed):

Friday 6:30PM until 9:00PM

Saturday 6:30AM until 9:00AM

Sunday 7:00 AM until 9:00AM

SCHEDULE AND SUPPLEMENTAL REGULATIONS:

Please go to this link to view the supplemental regulations and schedule for your first classroom time and first on-track session. This information will be posted as soon as possible.

http://www.nasaracing.net/VIR_July_08/event.htm

Although we try our best to make announcements for your track time, you should pay careful attention to the time and what group is on track so you will know when to report to grid. Always be aware of what group is prior to yours so you will know when to report to grid.

Long sleeves, long pants and closed-toed shoes are required for VIR while on track

TIRE SERVICE:

Tire Services will be provided by Phils Tire Service.

Please go to PhilsTireService.com or call **845-647-7407** for info regarding pricing and tire specs.

QUIET HOUR

Please remember the track enforces a quiet hour on Sunday from 11-12. Only cars with ABSOLUTELY stock exhausts may be cranked during this hour.

Any answers to questions may be found in the supplemental regulations. If you still have a question after reading all pre-event information, please e-mail registration@nasaracing.net.

We look forward to seeing you soon!
